

ACADEMIA DE MI ABUELA

Handling Live Animals Permission Slip

My child _____ may participate in the handling of all live animals for show and tell and during other special events. AMA will have live animals as school pets for the curriculum enrichment of the children, which will be pre-announced in your school year calendar & monthly newsletter. The children will have the opportunity to learn with hands on activities, and observational discovery. The children will immediately wash his/her hands after each interaction with school pets. All children are welcome to participate in school events that introduce live animals, regardless of age and child care schedule (TBA).
